

Community Outreach

CHP's Community Outreach scheme is a visiting support service which can help you maintain your independence by supporting you in your home and guiding you to valuable services.

- Do you feel lonely and isolated?
- Are you receiving all of the benefits that you are entitled to?
- Are you having difficulty coping in your home?
- Do you know who to talk to if you have a problem?
- Have you recently been discharged from hospital?
- Is your carer on holiday?
- Would you like to join in some of the social activities in the local area?

If any of these questions are relevant to you, or someone you know, you can reach out for help and a member of CHP's support staff will visit you in your home.

What is the Community Outreach scheme?

The Community Outreach scheme is a local community based support service for older people.

CHP's aim is to build communities and enable everyone, regardless of disability or background, to become part of their local community. CHP will help you make the most of the services available that would be of benefit to you.

The scheme makes a significant difference to lives and helps to keep people actively engaged in their community.

CHP's support staff can also assess the need for a 24-hour alarm system and will arrange installment if required.

The scheme is unable to assist you with:

- Personal care
- Administering medicine
- Pet care or shopping
- Access to transport.

The scheme can help you:

- Access benefits advice
- Complete forms
- Make links with other agencies who can help and support you; for example Age Concern
- Access specialist services; for example chiropodists
- Identify social activities occurring in your area
- Make minor adaptations to your home; for example installing grab rails
- Make new friends in similar circumstances.

The Community Outreach scheme is available to any older person living in Chelmsford

For further information, please call 0845 155 3000 or write to: CHP, Myriad House, 23 Springfield Lyons Approach, Chelmsford, CM2 5LB.
