Dear neighbour

You may not be aware that there was a disturbance on ______________ (date), at about ______________ (time) possibly caused by:

- [ ] Television too loud
- [ ] Washing machine
- [ ] People shouting
- [ ] Dog barking
- [ ] Door(s) slamming
- [ ] Music too loud
- [ ] Other ___________________________

This behaviour meant I could not __________________________
  e.g. sleep / watch television.

I want to be a good neighbour and I hope you do too. I’d like to get together so we can talk about avoiding this in the future so that we can all enjoy living in our homes.

Thank you so much and I hope we can talk soon.

Name: _______________________________
